Good advice

A prepayment of $ 5000 (including $ 1500 non-refundable amount) must be done not later than 120 days before the expedition. The remaining amount must be paid no later than 90 days prior to the expedition.

In case of refusal to participate in the program less than 90 days before the beginning of tour, the money paid for the program will not be returned !

NOTE: Time of departure to Antarctica and return to the mainland may be moved in case of bad weather (there have been rare cases where a storm was up to 10 days). In case of such shifting the timing of flights the program is guaranteed! In case of refuse the client from participating due this shifting and postponement of flights, the money for the travel not returned

Tips guidelines (important information!)

You entrust your life, health, your time and money to the guides. And the guides take this responsibility for you and for the success of the whole trip. They are doing this 24 hours per day. 10-20 USD per day is expected as the normal amount of tips for the Guides and the staff of the program. If you liked everything about the trip, please don't forget to thank them. You can give the tips directly to the Main Guide and he will distribute it among the staff; additionally, you can thank specific staff members.

Necessary travel papers (documents)

Passport with 6 months validity after the return flight.
Filled in special forms for visiting Antarctica (we will assist).
Chilean multiple entry visa if needed for your nationality.

By air and by land

The price includes all flights in Antarctica.
Return flight from Punta Arenas to Antarctica
Luggage allowance for these flights (hand + checked luggage) is 25 kg, excess luggage is $77/kg
Group equipment is divided equally among the members to carry during the ascent.

Accommodation

We can reserve any hotel in Punta Arenas for you, from 2 to 4 stars, or you can do

it online yourself.
In Antarctica we stay in strong double tents, 2-3 members per tent.

Meals

We buy all the necessary food in Punta Arenas and guides cook in the mess tent in BC and in their tents on the route. The guide coordinates and assists.
White gas (4 liters per person) is provided for use in BC and in the higher camps.

Staff

One guide per 3-5 clients.

Health and medical insurance

The group will have a first-aid kit.
Each member must have medical insurance that covers altitude (5000m), 'dangerous sports' and evacuation with a coverage of at least 300,000 USD.

Weather

Antarctic summer: when it is sunny the temperature inside a tent is from 0°C to +15°C. Snow storms are frequent; then the temperature can quickly drop to -35°C. Near the summit it can be -40 degrees Celsius/Fahrenheit.
